

Dear David & ILSR members,

Just a note to tell you what a lovely event you had planned Saturday, 7-14. You had thought of and handled every detail to make it a huge success.

Bill & I were proud to be "bus guides" for the Columbus group. Our list of traffic instructions worked out very smoothly, and the people from Ohio were great. You selected a diverse and interesting group of railroads for us to see.

We always hope we can get to Indy more often for the meetings. But after the enjoyable event Saturday, our resolve is renewed.

Thanks so much for a great event!

Betty & Bill Harryman
